### **Peace King True Parents**

As The Faithful Partner of Rev. Moon; and, As The One Who Represents All Women, Mrs. Hak Ja Han Moon Has Been Praying And Working All Her Life In Order To Establish God's Heavenly Kingdom of Cheon Il Guk. Even Today Mrs. Moon Walks The Path Of Queen of Peace And The True Parents Centering on God's True Love.

*Holy Song: 'Upon the earth, I came to life ....in the world God Prepared'*

At the time of Mrs. Moon's Birth in Pyongyang, The 1940s were a difficult period for the Korean people suffering under the Japanese occupation. As the Israelites, in Jerusalem under Roman rule 2,000 years ago, were spiritually active centering on John The Baptist in order to receive The Messiah, the 1940s were just the same in Korea when people were intensely searching for God's Way. The spiritual activities in Korea were most active in the Northern Part of Korea.

In Northern Korea's Eastern Region on Wonsan, these Activities happened centering on males; and, in the Western Region of Cheolsan, they happened centering on females. (West was the Seong-Ju Church and Bok-Jung Church in Cheolsan; and, East was Wonsan) At that time, spiritual activities were proliferating in Pyongyang so much that it was called The Jerusalem of The East.

Mrs. Soon Ae Hong, Mrs. Moon's Mother, was Married to a Teacher named Mr. Seung Un Han. Their Marriage was Officiated by Rev. Ho Bin Lee, a Spiritual Leader who was leading a Movement searching for God's Way. (He was Rev. of 'The Tread of New Jesus Church, The Center of Spiritual Movements') The Two lead a very sincere life of faith.

After ten years of waiting, Mrs. Hong finally gave Birth to Her First Child. Rev. Ho Bin Lee told Mrs. Hong about His Vision Before The Baby Was Born. It was as if a Graceful Crane was swooping from a Pine Tree into Her Embrace. Mr. Seung Un Han also dreamt about A Pair of Cranes Playing With Each Other in a Green Pine Tree Forest. It was a beautiful dream of Two Cranes, A Symbol of Peace and Good

Fortune for the suffering Korean people. After having the dream, Mrs. Seung Un Han named Her daughter, 'Hak Ja Han,' ('Hak' meaning 'Crane.'

Mrs. Moon Was Born at Anju in Pyongyang Province on January 6, 1943 by the Lunar Calendar. When She Was About To Be Born, Mrs. Hong Realized Her Daughter's Fate And The Works of God At That Time. After Mrs. Han Gave Birth, She Had A Mysterious Dream. Toward the end of Japan's war in the Pacific Ocean, Japanese armies plundered any scrap metals and food they could find in Korea in order to supply their rations and produce weapons; but, (in the dream) all of a sudden everything that was stolen from the Korean people flew across the 'Heon Hae Tan' into her house filling the rooms. Then Mrs. Hong woke up suddenly. Today, Japanese members provide much support for the True Parents work. Looking back on it now, it seems as if the dream were telling her about the mission of True Mother, Who Is The Representative of All Women, and (telling Her about) Japan that is the representative of all 'Eve' nations.

On the Very Day The Baby Was Born, Mrs. Hong dreamt about the hideous Satan saying 'I must get rid of the Baby now for She is a danger to me, lest I shall perish. (Mrs. Hong said in the dream,) 'Be gone Satan. Who are you to kill my daughter that I have been longing for so long?' The Grandmother comforted Mrs. Hong, Who woke up sweating saying, 'It must be because you are weak from the labor.' Mrs. Hong said 'Why does he want Her dead, Mother?' (Mrs. Moon's Grandmother said to Her Mother,) 'There is a legend of 'Jo han ju mu rok' which says that Heaven will send Its Daughter to our Family. If Satan tried to harm her in your dream, then The One the legend has foretold must be Her.' Mrs. Hong said, 'If Satan has his eye on Her, we must raise Her with great sincerity Mother.' Her Mother said, 'Yes, raise Her with great care.'

Sometime later, Mrs. Hong heard a Voice from The Heavens Saying, 'This Baby Belongs To The Lord. Raise Her Well. Mrs. Hong Realized that The Baby Was Born With A Great Mission.

Mrs. Moon received great influence from Her Mother, Mrs. Hong. Mrs. Han was born in 1914 in Cheongju, which is The Same Birthplace As Rev. Moon. Mrs. Hong's faith was so strong that She went out and street witnessed in the crossroads between Anju, Hue-Chon and Kang gye at a time when Japanese occupiers were persecuting Christian believers. Mrs. Hong would say, 'The (Second Coming) Lord Does Not Come Upon Clouds, But Comes Wearing A Physical Body.' Instead of being shackled by literal interpretation of the Bible, She listened to Spiritual Revelation and Words of Truth from Heaven. Her Mother and the Grandmother from The Mother's Side placed their greatest efforts in Preparation in a Spiritual Church for The Coming of The Messiah.

*(Screen says: Course of Faith New Jesus Church (1933-35, Seong-Ju Church (1936-1944) and Bok-Jung Church (1944-1949)*

August 15, 1945 Korea experienced liberation of Japanese occupation. From then, True Mother's Mother told Her, 'Your Father Is God.' (True Mother's Grandmother, holding Her in this part of the video is Won Mo Jo (1889.11.7-196293) Mrs. Hong continued Her Life of Purity and Sincerity, and also raised her Daughter In Order To Meet The Lord. 'The One To Become The Heaven's Wife.' Mrs. Hong's Daughter Received A Great Blessing From The Spiritual Group. Following The Seong-Ju Church, The Mother of Ho Bin Heo, Who Was The Head of Bok-Jung Church That Was Making Preparations To Welcome The Coming Lord, Personally Gave True Mother A Benediction (from The Spiritual Movement that inherited the works of Seongju Church) At the time, Ho Bin Heo was incarcerated at the Daedong Security Office in Pyongyang with The Rev. (Sun Myung) Moon. Since This Time Their Fate With The Spiritual Group Was Mysteriously Intertwined By A Great Sense Of Purpose.

*(Screen says: Rev. Moon's Suffering At Daedong Security (1946.8.11-11.21)*

President Su Won Jung, The Son of Jung Suk-Cheon of SungJu Church (New Jesus Church) Is Saying, 'They Brought True Mother To The Sung-Ju Order at Un-Ju in North Korea, To Let Her Receive The Benediction from Ho Bin Hoe of Bok-Jung Church; And, It Is Believed That That Served As True Mother's Condition To Receive The Blessing Of Meeting Rev. Moon After Three Generations. Mrs. Moon Inherited The Preparations Made For The Second Advent Who Will Come In Flesh, And (Mrs. Moon) Became The Physical Embodiment Who Received That Foundation Of Sincerity.

*(Screen says: Moving South, Spring 1948)*

In 1948, Determined To Find Her Son, Sung Jong Hong, Grandmother Won Mo Jo, Decided To Head South With Mrs. Hong And The Newborn Baby. Instead Of Returning Home, He Was Working At The Army Headquarters In Seoul As A Medical Officer, After He Finished Waseda University In Japan. It Is Because He Was Disappointed By The Corruptions In The North, Which Were Different Than What They Promoted Themselves To Be.

The Way South Was Not Easy. They Were Even Captured By North Korean Soldiers Near The 38th Parallel Line. They Were Captured And Imprisoned In The Barn Of An Empty House. The Soldiers

Intimidated Them. Everyone Was Petrified With Fear. How Would They Overcome This Obstacle? The Key To Surviving The Moment Of Life And Death Was Love. (Mrs. Moon As A Young Child) She Took The Liberty Of Running Errands Of Love To The Soldiers (In The Picture She Is Offering Them Food). After Being Released, The Crowd Of People Was Forced Back To The North; But They Fled Again To South With The Help Of A Guide.

As The North And South Korean Armies Were Pointing Guns At Each Other Everywhere, Their Journey Could Not Be Delayed Even For A Moment. In The Middle Of A Frightening Night, A Child's Singing Voice Echoed As The Future Mrs. Moon Sang. The Soldiers Tried To Shoot The Moving Figures, But Stopped When They Heard Someone Singing. The Group Thanked God For Protecting Them.

The Korean War Broke Out After They Went To The South. At Three O'clock In The Morning On June 28th, Her Uncle Who Heard The News Of The Demolition Of Han gang River Hastened Their Pace. As Soon As They Crossed The Bridge In His Military Jeep, The Bridge Was Destroyed. Everyone Behind Them Fell To Their Death. It Seemed That Heaven Was Watching Over Grandmother Hong And Her Daughter. Mrs. Moon Recalls Today That The War Made Her Life Difficult; But, She Was Able To Live Through It Safely Because Heaven Protected Her.

*(Holy Song Words: 'I Pledge I Will Go; Go As My Father Has Gone.')*

Dae Gu, Pusan, Jeju...After The War ... Even As She (Mrs. Hong) Moved To A Different Place, Her Only Thought Was That She Needed To Find The Lord. She Opened A Small Store To Provide The Means For Her Family. But, She Was Living In Daegu As A Refugee; And, One Day A Sage Blessed Her Daughters Future As He Passed By The Store Saying, 'Is That Young Child Your Daughter?' (Mrs. Hong said,) 'Yes.' (The Sage Said,) 'Raise Her Well. She Is A Daughter Who Will Outshine Ten Sons. She Is A Sacred One Among Heaven And Earth.' (Mrs. Hong Said,) 'Yes, I Pray That I Can Offer Her To The Lord.' Then, Looking At The Young Child, He Blessed Her With Another Prophecy, 'She Will Marry At 17. Her Husband Will Be Of Much Older Age. Also, They Will Be People Of Great Wealth Who Will Guide The Land, The Ocean And Even The Heaven.'

With Such Blessings, They Moved To Jeju Island And Lived There For A Brief Time. They Moved There To Meet Pyeong Hwa Jeong, Who Was The SeongJu Churches Leader, Seong Ju Kim's Young Son. (Mr. Pyeong Hwa Jeong Lived His Life For The Second Advent In Seongju Church) He Was A Great Leader And A Man Of Great Faith, Even Reenacting Jesus' Wearing The Thorny Crown And Being Nailed To The Cross In Order To Feel The Painful Heart Of Jesus.

There (in Jeju) Mrs. Hong Plowed Fields, Volunteered To Serve Others And Ate Raw Foods, All To Cultivate Her Daughters Fate. After Changing Schools Three Times, She (Mrs. Moon) Graduated (From ChunCheon Bon-e) Elementary School For Girls; And, After Many Obstacles, Entered Seoul's Seong Jeong Middle School For Girls.

Mr. Sun Jeong Hong, An Uncle, Is Saying, 'When I First Saw Her, She Was Very Careful. She Spoke Very Well. And Another Thing Was That She Was Exceptionally Smart! Exceptionally Smart!

Afterward, By The Recommendation Of Her Uncle, She Entered Saint Joseph's Nurse's School (In March 1959) The Former Body Of Today's Catholic University's Nurse's School. The School Operated The Dormitory And The Regulation Of The Dormitory Where A Nun, Who Was The Head Mistress, Was Very Strict. Though She Was Surrounded By The Life Of Poverty And Desperation In The South, She Was Raised As A Pure Child, Untainted By The Secular World. It Was Partly Because Mrs. Hong Raised Her With The Standard Of A Pure Life By Making Her Read A Religious Book, Such As The Story Of Saints.

Then In November Of 1955, As Mrs. Hong Discovered The Identity Of The Lord ,Whom She Had Been Seeking For Decades, From Mr. Suk Cheon Jeong, Who Was A Member Of Sungju Church. The Lord Was In The Headquarters Church Of The Unification Church, Which Was Also Called The Seoul Church. The Man She Sought To See Immediately Was None Other Than The Rev. (Sun Myung) Moon. The Man She Saw Twice In Her Dreams Was The Lord She Had Been Waiting For.

Next Year, In The Spring Of 1956 When She Graduated From The Bon-e Elementary School In Ceon Jeong, The Fourteen Year Old Girl Met Rev. Moon For The First Time. It Was A Moment When The Sincerity Of Three Generations Finally Bloomed As A Beautiful Flower. The One They Had Been Waiting For. How Joyful It Was To Finally Know He Was The Lord. After Asking Her Name, Rev. Moon Muttered Three Times 'Oh Hak Ja Han Was Born In Korea' 'Oh Hak Ja Han Was Born In Korea' ' Oh, Hak Jan Han Was Born In Korea.' He Must Have Been Waiting For The Right Time.

After Receiving A Revelation Saying 'The Day Is Close At Hand; And, You Must Pray,' Hak Ja Han Began Praying After Emptying Her Mind. She Was Like A White Lilly In A Peaceful Place. Thanks To Strict Education That Separated Her From The Secular World, And After Receiving The Standard Of

Absolute Faith, She Was Chosen To Be Rev. Moon's Wife When She Was 17. At Four O'clock On March 1, 1960 By Lunar Calendar, They Were Engaged In The Presence Of Three Of Rev. Moon's Disciples, Young Hwi Kim, Won Pil Kim and Hyo Wan Eu.

'Countless Numbers Of Cranes Came From The Sky. He Waved Them Away But They Kept Coming Back, Covering True Father. ---Ms. Seung Do Ji, A Spiritually-Open Person

'The Mother Of The Universe Is The One Whose Last Name Is 'Han.' Including Mrs. Seung Do Ji and Mr. Do Uk Song, Who Were Spiritually Open, Many Have Had Revelations About The Marriage Of Rev. Moon And Hak Ja Han. The Candidate For His New Bride (True Mother) Had To Be Younger Than Twenty Years Old. Rev. Moon Explained This Using The Principle. Since Eve Fell When She Was 16, Three Years Had To Be Added As A Period Of Indemnity, Making Age Nineteen. People Recall That She Was Physically More Mature, Which Proved Further That She Was Prepared By Heaven In Every Aspect.

God's Work Of Sending This Young Girl With The Mission Of The True Mother Is Apparent When We Just Look At Her Family Name 'Han.' Scholars Say There Had To Be A Great Nation, Even Before The Time Of Go Jos Han (Paen Han, Ma Han) That Was Ruled By The Han Clan, And That This Sprit Of 'Hans' Has Continued Down To The Current Generation Of Korean People Who Is Reflected In The Name Of The Nation 'Dae Han Min Guk'

A Novelist, Jin Myung Kim (The Rose Of Sharon Blooms Again, Goguryeo Etc....) Is Saying, 'This Nation Called 'Han' Predates Go Jos Han By Far. And Han Is Introduced In One Of The Chinese History Books Called 'Si Kyong'. This Han Hu Is The Oldest Korean Ancestor Of Korean People To Be Recorded. This Family Name Of The Han's Came Into Existence Long Before China. And This Name Is The First Family Name Of Our People And Is The Oldest Recorded Root Of Our Ancestry.

The Family Of Han Is Also The Family To Produce The Most Number Of Queens. (The Family of Hans. Our Mother's Han). It's Position In The History Is Firm, Including Queen Wi Sook, Who Is The Mother of Won Gan, The First King Who Founded Kurio. There Were Thirteen Queens Just In The Chosan Dynasty.

(Screen Shows Father Speaking Publicly And Mother Taking Notes) Music of Holy Song 'Grace Filling Me With Golden Light, Measureless Blessing Divine... (A Picture of Mother Very Pregnant Sitting Beside Father) Father Is Speaking Korean Saying, 'The Family Of Hans. Our Mother's Han. If There Ever Was A Family That Can Boast Of Its Female Family Members, There Is No Better Family To Do That Than The Family Of Hans To Which Rev. Moon's Wife Belongs.

On April 11, 1960, the 16th of March By The Lunar Calendar, At Ten O'clock in the morning, In The Presence Of The Selected Seven Hundred Members From All Over The Nation, The Historical Holy Marriage Took Place At The Headquarters Church In Cheong Pa Dong.

Mr. Young Hwi Kim Of The 36 Blessed Couples, The Leader Of Korean Unification Church (2nd, 4th, 6th) Is Shown Speaking. True Parents Became The True Origin Of Humankind Through This Holy Marriage, And Could Obtain The Starting Point From Where The Ideal Of Creation Could Be Fulfilled Mending The Failure Of The Fall Of Adam And Eve. Humankind Was Blessed Through This Holy Marriage With The Grace Of Being Able To Be Restored As The Children Of God. The Coming Of The True Husband And Wife Centering On Heaven, This Was The Beginning Of The Hope Of Establishing A Peaceful World Through The True Family.

Mrs. Hong Expressed Her Joy For The Holy Marriage Through A Poem. (The Congratulatory Poem Of The Sacred Marriage): Music Of The Holy Song 'Come Oh Ye Friends To The Garden Of Eden Where Joy And Happiness Reign. Come Oh Ye Come To The Garden My Friend, Come Let Us Sing And Rejoice. Come To The Garden Together We'll Meet, Singing New Songs Of Joy.... Come Oh My Brothers And Welcome The Lord. Come Let Us Sing And Rejoice ... Halleluiah.... Halleluiah... Halleluiah ... Ah Men...

Mrs. Hong's Poem:

Did You Descend From Heaven Or Gush Out Of The Water?  
Are Kyeonwoo And Jiknyeo (Old Story About 2 Lovers That Can Only Meet Once A Year)  
Meeting,  
Or Is Doryeong Lee Meeting His Lover (An Old Korean Love Story)?  
Such A Joyous Occasion, Such A Joyous Occasion.  
It's The Banquet Of The Lamb.  
All Of Heaven And Earth Sing And All Of Nature Dance.

However, A Time Of Suffering Was Awaiting The New Bride. She Had To Live Outside Of The Headquarters Church For Three Years, Indemnifying The Course Walked By Father. She Had To Stand Victorious. It Was Truly A Difficult Path Of Restoring The Position Of The Daughter, The Position Of The Wife And The Position Of The Mother In Order To Indemnify The Fall Of Eve.

It Was A Difficult Life; But, The Birth Of Their First Child Gave Her Much Joy. It Was The Formation Of The True Family Which God Had Wanted For So Long. The True Parents And True Family Are Not Only The Ideal Of Creation; But Also The Hope Of Humanity, Which Was Lost In The Beginning Of History.

Finally On January 1st, 1968, After The Completion Of The Seven-Year Course, True God's Day Was Proclaimed Through New Year's Prayer At Three O'clock In The Morning. The Most Beautiful Name Anywhere In The World Is 'Mother.' Mrs. Moon Had To Become A Mother From A Girl Without Being Able To Enjoy Her Prime Years. Having Given Birth During The Winter Inside A Freezing Room, Her Life Was Sometimes Threatened While Recuperating From The Labor. However, She Endured The Sufferings Of A Providential Life As The True Mother.

Rev. Moon, Who Had To Spread The Truth And Gospel To The World While Leaving His Wife At Home Alone, Could Only Convey His Heart Of Love Through Letters: Please Know That All This Is To Prove The Value Of (True) Mother And Let Us Overcome The Final Cross Of Shimjung. Please Become The Mother Whose Life Can Be Revered By All; Whose Life Is The Model Life For All Women, And Become The Mother Whose Value Is Even Greater Than Father. (May 21, 1965 Washington)

Though It Was A Difficult Path, Mrs. Hak Ja Han Moon Says That Father's Love Was What Made Her Able To Withstand The Pain Of Erecting The Model Life Of True Mother. However, The Path Of Suffering Was Far From Over. The Path Of Restoration Through Indemnity Is Only Known By Heaven. It Was A Pain-Ridden Path Which No One Had Successfully Walked Before. However, This May Have Been The Reason For The Successful Marriage. The Crane Finally Begins To Flap Its Wings And Begin Soaring Through The Sky After 1,000 Years Of Waiting. The Days Spent Not Only For Herself But For The Family, Not Only Supported Her Husband By Participating In Historic Events And Tours Abroad; But, Also Had To Take Care Of Her Fourteen Children Tirelessly.

In January Of 1984, Mother Was Preparing For Anti-Communism Lectures During Her Short Stay In Korea, After Supporting Father At His World Witnessing, Her Second Son Was Called By Heaven. He Died In A Car Accident While Trying To Save His Friend. It Was A Tragic Death. The Son Who Has Gone The Path Of An Offering. Father After Winning Over The Realm Of Death Through Love, Proclaimed This Day As The Day Of Victory Of Love, And Transformed Their Hearts Filled With Sadness Into True Love. Sunghwa of Heung-Jin Moon (1.2 1984) Her Sadness Of Losing A Son Could Not Be Compared To That Of Anyone Else. However, Faithfully Obeying Her Husband's Wish, Mother Had To Hide Her Tears Inside. Five Children Were Sacrificed To Heaven. Though It Was The Will Of Heaven, These Times For Mother Were The Times Of Great Suffering, Having To Endure Unbearable Pains. Father's Heart Was Full Of Pains Just As Much As Mother's; However, He Overcame It With The Power Of His Will, Saying,

"Even While Being Swayed By A Storm, The Root Must Keep Growing In Order To Secure Its Position."

During Father's Relentless March Forward, Mother Had To Endure Great Pains Of The Heart, Worse Than Any Physical Pain. Even Though She Had To Bury Her Dead Children In Her Heart, She Had To Appear As An Unshaken Leader Toward The Members Of The Unification Church. There Was Not A Day Of Comfort. She Had To Endure The Pains Of Her Children Being Persecuted At Their Schools And In Society In General. Though She Endured With Her Love Of God, And The Absolute Faith Toward Father, The Path Of Providence Came With Much Pain.

Mother Is Speaking: "Once You Have A Caesarean Section, Natural Childbirth Becomes Difficult Afterward. Young Jin Was Born Through A Caesarean Section. The Doctor Told Me That I Need To Worry About My Health As Well Since I Must Take Care Of My Children. But, I Told Him I Couldn't Stop. I Asked Heaven During My Prayer How Many Children God Wanted.

Together With Father, Using Every Second And Minute For The Will Of Heaven, Leading The Model Life To Save The World, True Mother, True Mother, A Woman Is Weak, But A Mother Is Strong. The Path That Must Be Trodden As The Mother Of Humanity, Mrs. Moon Walks The Path To Save The World With Rev. Moon, Accepting The Will Of God To Use Her For Great Purposes. She Endured With Nothing But Prayer.

Rev. Moon Expresses Sincere Gratitude To The Woman Who Has Walked The Path Of Suffering As The Female Leader Of The Humanity. Rev. Moon Explains That Mrs. Moon Who Is His Wife And His Eternal Partner

Father Is Saying In Korean: "Is Mother A Great Person? She Is. Wherever I Go, Whether It Is England, Deutschland, France, Africa, Or Even America, They Call Me The 'Happiest Husband'." (In English 'Happy, Happiest Husband.') "Is Mother A Great Person? She Is. She Has A Pretty Face; But, Her Heart Is Beautiful Too." (applause)

In Mid 1960's, Rev. Moon And Mrs. Moon Visited Japan, America And European Nations To Create An International Foundation; And, At The Same Time Strengthen The Foundation Of The World Enlightenment Movement. Then, They Went To America In 1972. It Was To Transcend The National Barriers And Advance The Will Of God To An International Level. Young Intellectuals Of The Nation Who Were Thirsting For Truth Came To Rev. Moon. America's Ember Of Faith Was Rekindled Through This One Religious Leader From Korea; And, The Unification Movement Spread Like A Wildfire.

As The Unification Church From Korea Gained An Unprecedented Momentum, Opposition Started To Persecute. The Ones Who Had To Suffer Racial And Religious Discrimination Were Not Only The Church Members But The Children Of True Parents As Well.

As Threats Of Assassinations Always Loomed Over Her Husband, Mrs. Moon Had To Live In Fear. America Was Joining Its Forces Together To Stop The Spread Of The Unification Church. Even For Some Important Figures, Persecution Continued As Well. Then, On July 20th, 1984, True Father Was Imprisoned In Danbury Prison. (Talking To His Family 'Don't Worry. I'll Be Back.) Going Outside Many Members Are Waiting And Say 'Father Mansei, Father Mansei' (Lead By Col Pak I think)

*(Father Was Sent To Danbury Prison On 7.20 1984)*

(Showing Mother Sitting Besides Father's Chair With His Robe And Crown On It) Father's Absence Seemed To Have Left A Big Hole In The Movement. Mrs. Moon's Grief And Agony Was Greater Than Anyone's. True Mother Speaks To Members With Col. Pak At Her Side Translating: 'If There Is One Thing That I Want To Ask Of You Today, Is That We Who Breathe The Same Air And Work In This Same Age With Father, Must Deeply Repent; And, From There Bring Results We Can Show To True Parents.'

Mrs. Moon Rolled Up Her Own Sleeves. (Rev. Pak Is Shown Really Uplifting Member's Moral And Supporting Mother) Unshaken In The Face Of Danger, She Visited Her Husband In Danbury Every Day And Led The Campaign To Take Father Out Of The Prison. She Took Up This Task As The Spiritual Anchor Of The Unification Movement With A Solemn Heart. (The Sign Is Shown To Say ' Rev. Moon, Rev. Sileven, Who's Next?) The Children Helped Her As Well (The Current President, In Jin Nim Moon of The Unification Church Of The USA Is Shown As A Young Girl On Stage With Ministers And Giving A Speech) She Is Saying: 'I Cried And I Cried; But, My Father Told Me Not To Weep For Him, And Not To Be Angry At The Government That Jailed Him. He Told Me, As He Has Told His Millions Of Followers Throughout The World To Turn Our Anger And Grief Into Powerful Action To Make This Country Truly Free Again.' (big applause)

This Is Understood To Have Made On The Internal Level The Tradition Of Cooperation Between Mother And Children, As The Forty-Year Wilderness Course Was Reaching Its End. People Of Conscience In America Rose Up And New Supporters Of The Movement Soon Could Be Found In Korea And Japan. (Showing Marches In The Street Of UM Members).

Dr. Ho Sang Ahn, First Minister Of Culture And Education, Is Shown Saying, 'The Alliance Between America And Us Is Made By Blood. I Think That Going Against Their Own Constitution To Incarcerate Rev. Moon Who Has Come From Such An Ally Nation For One And A Half Years Is An Insult To Korean People As A Whole.

During The Time Of Imprisonment, Mrs. Moon Received Honorary Doctoral Degrees From Four Universities. It Was Proof To The Fact That, In Heaven's Providence, You Receive Blessings After You Get Hit.

On August 20th, 1985, Rev. Moon Was Released After Thirteen Months Of Incarceration. He Was Freed Five Months Early Due To The Movement To Free Him Waged By America's Leaders In The Fields Of Religion, Politics And The Media. With The Victory Of Complete Freedom, Rev. Moon Was Moved By The Willpower Of His Wife More Than Anything. It Was A Great Work Of Heaven's, Where God's Providential Usage Of Her As The True Mother Of Humanity Has Taken One More Step Forward. (Father Is Shown Patting Mother And Helping Her Raise A Bouquet Of Flowers)

*(Music of The Holy Song: '... Everything For God By Doing His Will, ... Join The Fight, Win The World... We Will See Victory')*

Tribulation Hardens The Power Of Will. The Church Became Stronger; And, Its Steps Toward The World Became More Determined Than Ever. Communism Backed By The Soviet Union Accelerated Its Expansion In The 1980's; And So, Rev. Moon Stood On The Front Line Risking His Life To Stop This.

Mrs. Hong's Close Support Was Crucial To Rev. Moon And Mrs. Moon's March Forward. Mrs. Hong Went To America In 1974 When She Was 60 And Lived There For Five Years. At The Time, The Threat Of Terrorism From The Extreme Left Was Everywhere. As Rev. Moon's Mass Rally To Awaken America Increased In Number, Mrs. Hong Prayed And Prayed Again For The Safety Of Heaven For The Rev. & Mrs. Moon.

Mrs. Hong Is Shown Speaking, "I Was Serving True Parents In East Garden; But, I Never Wasted My Time. I Fasted Many Times. I Prayed And I Did Anything I Could When I Had Strength. We Must Devote Our Life To The Nation."

Mrs. Hong Was A Great Shining Star And Served The True Children After Following The Mission Headquarters To America. On November 3rd, 1989, Mrs. Moon Stood By Mrs. Hong As She Passed On To The Next Life. The Sorrow From Parting With Her Mother, Who Had Lived Her Life Like A Shadow, Could Not Be Described With Words. The Sky Seemed Clearer That Day. Seven Six Years Old, Thirty Four Years After She Joined The Church, She Ascended To The Eternal Nation Of God, After Achieving The Victory On Her Course For God And True Parents, By Sacrificing Her Mind And Body With Loyalty. (Sunghwa Of Mrs. Hong 11.3 1989)

Mrs. Moon Is Shown To Speak: 'I Am Thankful To Heaven, Not Only As Her Physical Daughter But As True Parents That She Was Able To Ascend After Living Such A Beautiful Life. If You Love The Grandmother Hong, It Is My Wish That You Could Think Of Her Path As Your Own Goal And Reap The Fruit Of The Way Of Heaven.' (Father Is Wiping Tears From His Eye)

Cheong Pyeong Training Center Of Heaven And Earth, Located By The Bukon River, Here, From January, 1995, Six Years Since Mrs. Hong's Death, A New Work Of Heaven Is Unfolding. This Place Has Now Become The Place Where The Members From All Over The World Can Receive The Grace Of Resurrection. If She (Mrs. Hong) Was The Model Of Faith To The Members, She Is Now, In Death, The Member Of Spiritual Resurrection For The Entire Unification Church.

Father Is Speaking In Korean, Saying, 'As She Passed On After She Finished Her Responsibility, She Was Given The Title Of Dae-Mo Who Should Be Revered And Commemorated By The Unification Church As The Model Mother. If We Live With The Grandmother Who Has Lived The Life Of Sacrifice With An Unchanging Heart Of Loyalty, We Will Be Able To Start The Age Devoid Of Persecution Where We Can Receive The Blessing From God.

Rev. & Mrs. Moon Who Were At The Forefront Of The Fight Against Communism, Met President Gorbachev in 1990 On April 11th In Moscow To Press Him For Reformation. They Then Visited North Korea's Pyongyang The Next Year ( 1991 . 11 30-12.7) Lenin's Statute Was Brought Down; And, Rev. Moon Came Face-To-Face With Kim Il Sung. Rev. Moon Put His Life On The Line With His Speech Of Criticism (At The Monsu Great Assembly Hall) Of The 'Juche' Ideology, Emphasizing The Will Of God In North Korea's Congress Building. Body Guards Ready To Draw Their Guns Stood There Watching Rev. Moon. Something Could Go Very Wrong. Mrs. Moon Who Was Together With Her Husband Began To Sweat In Fear.

The Path Of Su Gong Movement Was A Dangerous Course Filled With Deadly Threats; But, It Was Only The Way Of Faith That Could Help Them.

*(The Talk With Il Seung Kim ; However, Royal Palace At Heung Nam. 12.6. 1991)*

However, Il Seung Kim, Moved By Rev. Moon's Audacious Speech Said A Real Reverend Has Come; And, He Threw A Big Feast For Them. Everyone Was Surprised At The Turn Of Events. This Meeting Where The Head Of The Sung Gong Movement And The Last Head Of Communism Hugged And Swore To Be Brothers Opened The Gate Of Peaceful Unification For Korea.

*(Music, Holy Song 'Let's Unite Into One')*

The Age Of Women Dawned April 10, 1992. Rev. And Mrs. Moon Founded The Women's Federation For World Peace Under The Banner Of: 'Let Us Establish The World Of Peace With The Power Of Women And The Power Of Mother.'

Mother Is Shown Speaking. She Is Outside On Stage And Her Hair Is Blowing Some: " Now We Must Define The Character Of Not Only The True Man, But Also The True Mother, True Wife , And True Daughter Victory Of The World Level While Attending True Father, Who Has Founded The Tradition Of

True Mother Who Is The Historical And Victorious Representative Of Women On The World Level. Such Ideal Families Can Establish An Ideal Nation And An Ideal World."

Mrs. Moon's Voice Echoing Through The Spring Rain United With The Will Of One Hundred Thousand People Who Came; And, This New Flame Of A Women's Movement Spread To The Whole World Like A Wildfire. Starting From The Founding Of Women's Federation, This Stands In The Forefront Of Realizing World Peace For The True Family. In Order To Do This, Mrs. Moon Spread The Word Traveling Thousands Of Miles, One Nation Per Day. She Went To Korea, Japan, Taiwan, America's Capitol Hill, UN Headquarters, The Kremlin Palace In Russia, The Great Hall Of The People In China, The Middle East Area That Is The Origin Of Christianity And Islam, Many Nations In Europe, And Even The High Mountains Of South America, And The Jungles Of Africa.

Even The Malaria In Africa And The Communist World That Denies God Could Not Stop Her March. Visiting All Corners Of The Earth In Three Short Months, And The Fact That She Was Successful In Leading Rallies In 113 Cities All Over The World Was Nothing Short Of A Miracle. Women's Federation Was Able To Create Both Domestic And International Organizational Foundations From Its Starting Year, Thanks To The Sincere Efforts Of Mrs. Moon.

Mrs. Moon Is Actively Seeking To Substantially Realize The Founding Spirit Of The Women's Federation ---Which Is Establishing The Peaceful World And Sound Society Through Creating The Families Of True Love Upon The Foundation Of Maternal Love. Centering On The Women's Federation, Mrs. Moon, From 1992 to 1995, Declared To The World That The Coming Messiah Who Will Save The World Is Rev. Moon.

*(The Official Day)' Parents' Day' Was Founded On July 8 ---United States Capitol*

Moreover, She Gave Hundreds Of Lectures In Order To Wake Up The University Students, Who Were To Become The Leaders Of The Future. The Title Of Her Lecture Given In Forty Universities In Korea And One Hundred Universities In America Was 'The True Parents And The Age Of Holy Testimony'. The Korean Lectures Were Difficult, Especially Because Of A Few Leftist Students Who Physically Blocked Her Entrance And Threatened To Harm Her. Later, She Proclaimed The Words Of The Holy Testimony With Rev. Moon.

Rev. Moon Is Speaking In English: "I Ask You To Devote Your Best Effort As True Parents Have Toward Creating God's Ideal Family, Ideal Nation And The Peace Kingdom. Please Become True Princes And Princesses Who Can Attend And Live Together With God, The Eternal Peace King And The True Parent Of Humanity." (applause, True Family is in the audience)

What Kind Of God's Purpose Of Creation, The Providence Of Salvation And The Secrets Of The Human Fall Was The Start Of The Sinful World? What Kind Of Being Is God; And, Where Does The History Lead? The Words Of The Holy Testimony Revealed The Secrets Hidden In The Old And New Testament. Their Powerful Words Created A Great Ripple Of Reaction. The Words Contained The Path, The Truth; And, The True Life And Love Of God.

Mrs. Moon Still Travels The World With Her Burning Desire To Continue Saving People, Until Every Last Suffering Person On The Earth Is Saved. Lectures That Started With Her Soft Smile Were Sudden With Tears As She Conveyed The Heart Of God. The Heart-Breaking Pains Of The Providence Are Infused In Every Single Word And Thought. The Truth That The True Peace Begins From Family, And That The Family Overflowing With Absolute Faith And Love Is The Origin Of Peace And Happiness, Those Words Give Hope And Inspiration That Resonates Within The Soul, Changes Societies And Renews The World.

When She Was At A Place Where She Could Not Be With Her Husband, They Gave Energy To Each Other Over Video Telephones Or Over The Internet. The Whole Family United And Cheered In Joy After The Rallies. They Show Us An Example Of Being True Parents Of The Original, Ideal Path Of Harmony Of Humanity, By Giving Support To Each Other In Their Arduous Course Toward The Creation Of A Peaceful World. (Father Is Singing With Mother And Members And Then Puckers Up And Give Mother A Big Kiss On The Cheek And She Graciously Responds. Father Is Shown Very Enthusiastically Dancing And Everyone Is Singing 'Omya Nunaya Gompyonsal un chal... Uray nun poncho gi nun ooo more pi' and other times on other stages dancing and singing to the same song as the moderator says: 'They also sing often' At one point Father surprises Mother with the mike and then has the Children Sing. Col. Pak comes and holds another mike for the Children. Father Sings Again 'Nunays'.)

Music Transcends National Barriers And Its Melodies Often Touch People's Hearts. (We Then Hear Mother Singing In Korean To The Tune Of The Saints Go Marching On 'As The Bright Morning Sun Rises, Let Us March Toward The New Nation With Hope. The Korean Race Who Shares One Heritage Shall Shine Forever.' Then another song Mother is singing in Korean: ' I Sing The Song For You. You My Friend Who Is Like A White Lily In My Heart. All The Sorrow Vanishes When You Bloom.'

(Mother Is Shown Speaking In Korean: 'We Must Read God's Words Every Day And Realize That We Are Happy People Who Live In A Happy Age. These Words Are The Compass And The Textbook That Guide Our Lives. She Gave Encouragement To The Leaders And The Members Of The Unification Church.

(Mother Again Speaking In Korean: 'Why Would Father Read This Every Day When He Is The Substantial Body Of The Words? This Is Not A Dream. We Have The Responsibility To Realize This. We Can't Make Excuses By Saying We Don't Know. We Must Be In The Position Where Our Offspring Can Say That Their Ancestors Worked Hard And They Were Great People."

Words That Carried The Utmost Sincerity, Sincerity For The World Of Peace And The Salvation Of Humanity, The Path Of Will Which She Endured With Iron Will In Order To Liberate God Who Is Shackled By The Chains Of Pain And Sorrow, The Heart Of Anyone Who Is Touched By Her Endless Love That Continues To Flow Is Filled With Hope.

*(Music: The Holy Song 'Shining Fatherland' ---'Sunlight Beaming Forth In The East From The Fatherland, Sons And Daughters Shall Live In Great Joy, Our True Father's Own, Saints And Sages And Men Of Good Faith All Waited For This Day, Loyal Men Of Hope And Sincerity Yearned To See This Day')*

If Rev. Moon Was The Sun That Nourishes New Life, Mrs. Moon Is The Moon That Receives The Sun's Light And Passes It Onto The World.

True Mother Has Been Shedding The Moonlight In The Darkness; And, Now Her Love Is The Hope Of Cheon Il Guk To The Entire Humanity. Rev. & Mrs. Moon Are Marching Forward To Complete And Perfect The Strong Nation Of God And The World Of Peace, Which Is The Ideal Of Creation.

The Heaven. As The Green Barley Leaves Cover The Field, Even When The Freezing Wind Blows, She Is The Flower That Bloomed After Much Pain And Suffering. The Seed Of The Word Has Spread Its Root And The Responsibility Is Now Completely Fulfilled.

Flapping Her Wings Of A Thousand Year Old Crane, Scattering The Scene Of True Love, You Are The One Who Completes Perfection. You Are Our True Mother Who Is With Us Always. Spread The Dream Of Peace Beyond The Horizon Full Of Sorrow. Bloom The Flower Of Peace And Love On That Plain Of Eternal Happiness.
