

## Greetings from Sanctuary Blessed Life: Divine Principle Eternal Blessing Seminar

June 26, 2024

Dear Parents, Candidates, and Advocates:

God is so good.

In True Father's life course, we now learned about how True Father died 3 times while being tortured in Heung Nam Communist Death Camp, but miraculously came back to life each time and started praying for his torturer for God to forgive him.

The Torturer became Rev Moon's first of 12 Disciples in Prison. On the foundation of Rev Moon's sacrificing his Blood and unconditional Love, Rev Moon could start to give the Blessing in 1960. The Blessing gives spiritual and physical Salvation.

### **Upcoming Education:**

We invite Couples to our Divine Principle Workshop at Sanctuary Church, New Foundland, PA, on July 20th, Aug 17th, or Sept 21st, from 9 am to 5:30 pm, in preparation for the Rod of Iron Blessing on Oct 14th at 11am.

Original Substance of Divine Principle taught by Tim Elder will start on July 15th and last for about 1 week. Online sign up will be available soon on [Sanctuary-pa.org](http://Sanctuary-pa.org).
