*And all these, having gained approval through their faith, did not receive what was promised, because God had provided something better for us, so that apart from us they would not be made complete. **Hebrews 11:39-40***

I have accomplished my responsibility. What else is there for me to do? I blessed people equally in the spirit world through the united realm in that world, and I even saved my enemies. There is no basis whatsoever on which Satan can accuse me. Now there is no more indemnity. **SMM, CSG Book 6: Our Life in the Spiritual Realm, p 957.**

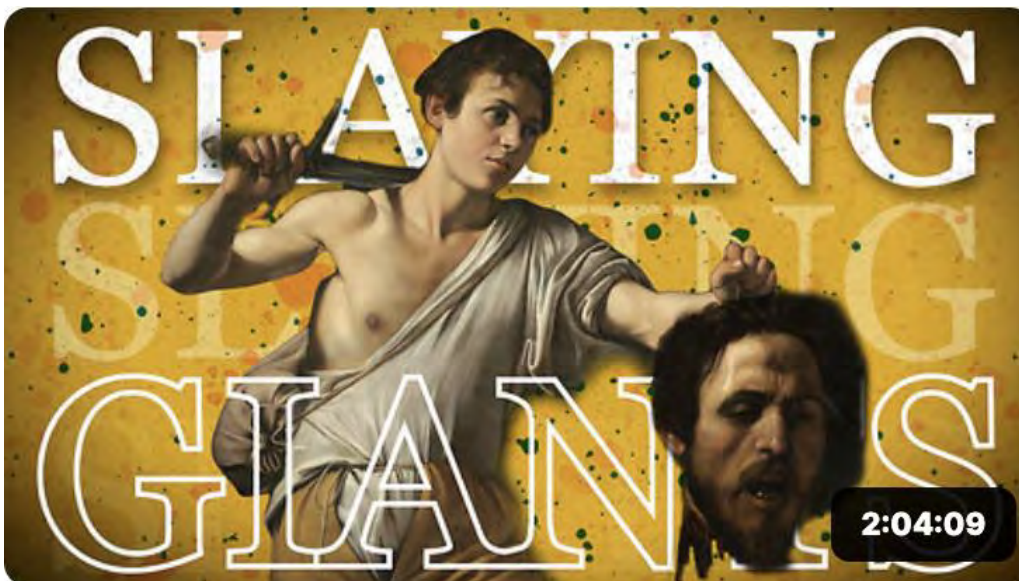

Hello,

Hyung Jin Nim started by honoring the efforts of patriots to win the battleground states including Pennsylvania, which turned the election for President Trump. It was a miracle given the 15 million illegal aliens and the unsecure voting machines.

He spoke about just returning from visiting and praying at the capitols of 3 battleground states in Pennsylvania, Michigan, and Wisconsin.

We have been praying for President Trump during the past 6 years. No one thought they would try to assassinate him, but we prayed against that. True Father taught us about the danger of Communism.

Democrats are [openly creating a "shadow government"](#) in Congress. Like what the Southern states did before the Civil War. That could be a prelude to Civil War.

[Sanctuary Service 11/17/2024](#)

Trump has made amazing appointments of people outside of DC. We may not agree with all of the appointments, but sometimes you have to use the minor demons to get rid of major demons. He expressed concern about the danger of an expanded war in the Middle East.

Christianity is not just about seeking personal blessings. It needs to step up against tyranny. Satan was the first groomer. Fallen sex can be used for blackmail. The fire of sex is meant to be useful and productive to bind a man and a woman. Otherwise, it burns the house down. Adam and Eve covered their lower parts,

not their mouths. The Epstein and Diddy rings were not farm stands selling fruit.

That is why they came after True Father, because he called it an abomination. The average gay man has [6 times as many sexual partners as straight men](#).

Accepting the gay lifestyle is not part of genuine Christianity. There is no "gay gene." Even heterosexual males learn to control their sexual desire. Spring break culture promoted by MTV in the 90s of scantily clad girls kissing each other normalized lesbianism.

### Rachel's Sanctuary Testimony

He praised Mariko Patchadjian who made sure to vote before she went to the spirit world! He discussed 1 Samuel 17:42- in which David, after knocking Goliath out with the stone, finished the job by cutting off his head.

The Left is pushing for children to make adult legal decisions without parental consent. That sets the stage for transgenderism and pedophilia. We have been witnessing the systematic conquering of a nation's moral system. [In the 1950s the median age of girls getting married was age 20. Now it is 27](#). Without children you can become hedonistic, and in your elder years you are alone.

If you are raised in a biblical culture, you are wiser, willing to invest your young adult years in raising children. Each new generation lasted 20 years. Your first time doing something is memorable. The parents should introduce those first experiences, not the secular schools and government. They should teach in a clear and direct manner to their own children. God created sexuality for a good purpose.

Children are seeing pornography at very young ages. Schools have been putting pornographic books in school libraries. Their message is that it is all about "feeling good" and "reproductive rights" to kill unborn children. If you give your child over to Rome, don't be surprised when he worships Caligula, not Jesus.

The Bible mentions Jehovah Tsevaot, God the Lord of "hosts" and "armies" 285 times. Jehovah Jireh, the

healer, and God the provider, only once. God is not a genie. He is the Lord of Armies.

True Father spoke about the culture of the masculine father. We have the father, and Godly marriages. Women want to know their father, because it makes them better women, mothers, and wives.

The young men came out not to vote for the adulteress of Willie Brown, who brought the harlot culture. Trump is not perfect, but he is about projecting the Father's culture, and the 2 sexes that are God's design. Every Christian should support that. Trump has to run towards "Goliath," representing the Deep State and cut off its head. We have to stop a world war. Gen. Flynn said the army must pursue the enemies over the hill. And then "spoil their tents" as in I Samuel 17. We must destroy their foundations.

\*\*\*\*\*

**Bill Allen** shares his shocking testimony of deliverance and his current work as president of the Pennsylvania Integrity Network.

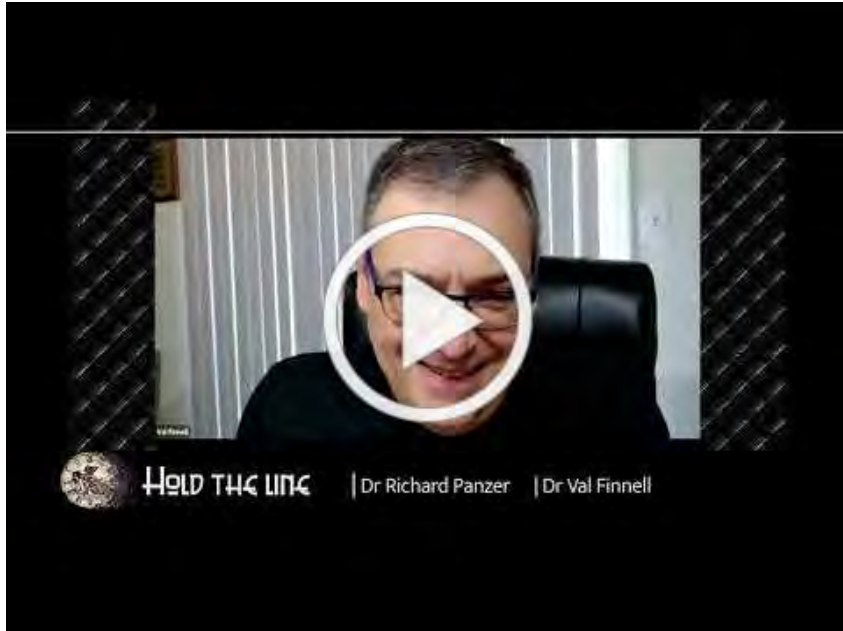

**Xi van Fleet** explains how the Cultural Revolution turned high school girls in China into murderers of their own teachers because they were "enemies of the state." Now the Cultural Revolution is here in America.

[America's Cultural Revolution](#)

**Dr. Val Finnell**, Pennsylvania coordinator for *Gunowners of America*, explains election courtcases and voting records of elected representatives relating to the protection of 2nd amendment rights. It is shocking that 40% of gunowners do not vote!

**Trevor Loudon discusses his new book STEALTH: Kamala Harris's Communist Roots.** Also upcoming book about Comrade Prime Minister Albanese in Australia and his ties to Communist China. Voters need to be informed about these candidates. Loudon hopes his books will usher in a new age of individual and national sovereignty where citizens, not globalists, decide the future of their nation.

**Documentary filmmaker Ben Berquam reflects on his work at the Darien Gap,** where thousands headed for the U.S. southern border cross every day and the criminal cartels already active in the U.S. He also discusses the attitude we need as people of faith as we confront the vastness of the evil intended by those who seek to destroy America, with life-and-death outcomes not able to be seen.

May God bless you and your families!

Sincerely,

Richard
