History of Unification Sanctuary 2016-2017

And I heard a voice from heaven like the roar of many waters and like the sound of loud thunder. The voice I heard was like the sound of harpists playing on their harps, and they were singing a new song before the throne and before the four living creatures and before the elders. No one could learn that song except the 144,000 who had been redeemed from the earth. It is these who have not defiled themselves with women, for they are virgins. It is these who follow the Lamb wherever he goes. These have been redeemed from mankind as first fruits for God and the Lamb, and in their mouth no lie was found, for they are blameless.

Revelation 14:2-5

Now the light of glory arises like the sun that shines on high; Now awaken into freedom, O revive, you spirits, O revive! Wake the mountains and the valleys; bring alive the springs of the earth. Light the world forever with the Light of your rebirth. Light the world forever with the Light of your rebirth.

We are called to bring back the glory to the life of God above; Now the Lord in His greatness fills the universe with tender love, Ever seeking souls awakened, ever calling them to be free. How shall I attend Him who is calling to me? How shall I attend Him who is calling to me?

From the dark of death I awaken and rejoice to live in grace; When the one who came to save me holds me tenderly in His embrace; How can I return the blessing? Though in all my life I will try. I can never stop feeling how unworthy am I. I can never stop feeling how unworthy am I! **SMM, Blessing of Glory**

Hello,

Hyung Jin Nin started his sermon by talking about how all Sanctuary supporters worldwide were mobilized to support Trump's election. We put all of our "chips" on red! It was a gamble, but the right thing to do. Thank you, God! Thank you, Father, for the victory of President Trump! It's a miracle that Trump was able to overcome election fraud and illegal immigrants. The Black pastor who gave one of the invocation prayers from Dearborn, MI was amazing and eloquent.

If we had lost, we were on the list to be attacked, arrested, or executed. Along with many patriots, we were on the edge of destruction.

At the Shot Show in Las Vegas many people were asking about the "596" chain around his neck- which led to him explaining about True Father's suffering, torture and resurrection in Heungnam death camp. Many of them said, "thank you for wearing that!"

Lt. Colonel Stuart Scheller was highest official to publicly oppose the chaotic U.S. withdrawal from Afghanistan. Then they took away his appointment, benefits and put him in solitary confinement. At the Rod of Iron Freedom Festival he spoke to Gen. Flynn and said he felt healed and liberated.

Hyung Jin Nim offered him a ticket to the Mar a Lago banquet from the 2nd Queen giving up her seat. Last week the 2nd King recorded a new song "Colorblind" American Country Music studio with the Marine Rapper, who also did an interview with Hyung Jin Nin that was watched by 100,000 people. *Colorblind* will be dropping on Feb. 28 on iTunes.

58th True God's Day Ceremony

Every lasting relationship has to be built on sacrificial love. Roman 10:9-13 is a very important text which describes the requirements for salvation. According to this scripture, we are a saved people. We believe in divinity of Jesus (based on the God of Night teaching). In the Trinity. In the resurrected body of Christ. In repentance.

The next logical question is: why is Rev. Moon the 2nd Coming? In witnessing it's important to be clear, concise and effective. 3 minutes. He and Yeonah Nim were going through Father's life. First there are his 7 deaths and resurrections.

Second, Father fulfills prophecies in Rev 3:11-12, 7 and 14 about Christ coming with a new name, who comes from the east, whose disciples sing a new song that is not known to Christian elders.

God's Day Midnight Prayer

We should call the Tongil mark the "new Jerusalem symbol." The divine seal is the symbol of his

authority, comes from the East.

Rev. 14:2-5 refers to a new song that the elders do not know and known only by those who have not defiled themselves. True Father wrote a new song "Blessing of Glory." Parable of the virgins. True Father abbreviated his name to Sun and Moon.

1920 was a historic years, the 1st year of League of Nations. Birth of mass media/propaganda. Birth of the returning Christ.

He discussed the proofs of the resurrection by Lee Stroebel, William Lane Craig and others including the empty tomb, eyewitness accounts, no one willing to die for a lie.

Outside sources confirmed about Father's life in prison. Rev. Chang Seong Ahn, a 36 couple, taught about TF's 3 deaths and resurrections. In 1961 he was appointed as the main teacher of Divine Principle. He taught about Father's torture by the Japanese occupiers, his dead body thrown out into the snow and recovering through 10 days of vomiting blood. He was tortured in Pyeong Yang and in Heung Nam.

Then there are the testimonies of those who were in prison with True Father. Chung Hwa Park's book in which he wrote about "The Saint of Heung Nam," referring to True Father.

The Unification Church saw the most explosive growth of any religion during the Founder's lifetime.

Father said that after he ascended, he would leave behind the Kingship line which coronates kings and queens.

Father's anointed heir, the 2nd King, released the Constitution of Cheon Il Guk that established freedom for citizens, limits on central government and an armed citizenry.
