On November 20, 1991, True Mother spoke before a gathering of 15,000 Women's Federation for Peace in Asia members at Seoul's Jamsil Stadium.

At the event she stated, "In history, the 'logic of power' has been dominant," but said that the present age demanded the "feminine 'logic of love' to solve ... problems and lead history in a proper way." True Mother's admonition was taken up by the Women's Federation for World Peace (WFWP), which was founded the following year.
