World Scriptures

► Christianity:

They said to him, "What must we do, to be doing the works of God?" Jesus answered them, "The work of God is this; to believe in the one he has sent." (John 6:28-29)

► Islam:

The true believers are those whose hearts are filled with awe at the mention of God, and whose faith grows stronger as they listen to His revelations. They put their trust in their Lord, pray steadfastly, and give in alms of that which We have given them. Such are the true believers. They shall be exalted and forgiven by their Lord, and a generous provision shall be made for them. (Qur'an 8:2-4)

► Buddhism:

All the shravakas, and pratyekbuddhas cannot by their powers attain unto this sutra. Shariputra! Even you, enter into this sutra only by faith. (Lotus Sutra 3)

► Unificationism:

A life of faith consists in living always with an atmosphere of spring. Have a renewed mind. In your life of faith you must always rejoice and be thankful. When you rejoice in prayer and experience a constant welling-up of pride, your mind is a joyful mind. (God's Will, Faith)
