## Announcement

**To : Regional presidents, National leaders, National messiahs**  
**From : FFWPU International Headquarters**  
**Date : January 15, 2010**  
**Re. : Information on Special Grace concerning Ancestor Blessing**

May God and True Parents' blessings and love be with all regions, mission nations and providential organizations.

Based on the official memo that went out on November 1, 2008, Dae Mo Nim gave members who could not come to Cheongpyeong for many reasons the grace of applying for Ancestor Liberation and Blessing from their countries. So accordingly, for 1 year and 2 months, from November 1, 2008 to December 31, 2009, Cheongpyeong accepted the application for Ancestor Liberation and Blessing even if the members could not come to Cheongpyeong.

Now this grace period is over, and from now on it is not possible to apply for Ancestor Liberation without coming to Cheongpyeong. But this year it is possible for members living in all countries except Japan and Korea to apply for Ancestor Blessing from their countries. The period of this grace is from the 2010 January Ancestor Blessing to the 2010 December Ancestor Blessing. You can also apply for the liberation of parents and grandparents who passed away after liberating 1-7 generations.

We hope that many members can take advantage of this occasion and receive much grace.

*Please note that this official memo is intended for members living outside Korea and Japan.*

### 1. Period: January 1, 2010 (Fri) ~ December 19, 2010 (Sun)

It is not possible to liberate relatives and friends and central evil spirits. For this, you need to come to Cheongpyeong, just the same as ancestor liberation.*

### 3. Conditions:
