The workshop schedule for this summer has been arranged so as to enable international blessed children (all blessed children living outside of Korea and Japan) to attend the Cheongpyeong 40- and 21-day workshops during the summer holidays. The schedule is as listed below.

Please make this schedule widely known so that as many 2nd and 3rd generation members as possible can participate together this summer.

Please note that this official memo is intended for members living outside of Korea and Japan.
