Re. : Information concerning the 29th Special 8-day Workshop for Worldwide Registered Blessed Husbands

May God and True Parents' blessings and love be with all regions, mission nations and providential organizations.

True Parents have said that in order to inherit the grace of the "Transition of the Three Ages Four Position Foundation Registration Unification Blessing Ceremony," Blessed Husbands must also attend the 21-day Workshop, just like the "21-day Registration Workshop for Blessed Wives." Even though husbands may have personal circumstances such as jobs, they must attend the 8-day workshop, as a condition. And as we enter the Age of the Fourth Adam, all blessed husbands should inherit True Parents' providential heavenly fortune of changing from the age of mother-son cooperation to the age of father-son cooperation through the 8-day workshop. Based on True Parents' words above, the 8-day workshops for husbands have been held 28 times so far, amidst amazing grace.

Please inform all members of this direction so that those who have not yet participated in the Special 8-day Workshop for Worldwide Registered Blessed Husbands can attend the 8-day Husbands' Workshop, during the period listed below.

Please note that this official memo is intended for members living outside of Korea and Japan.
