Re. : Celebrating Important Church Events and Anniversaries According to the Heavenly Calendar

May God and True Parents' blessings and love be with all regions, mission nations and providential organizations.

In accordance with True Parents' instructions, as of February 14, 2010, all important church events and anniversaries have been celebrated according the heavenly calendar, the Abel-type calendar. On April 6, True Parents instructed a new standard for using the heavenly calendar. In light of these instructions, this is to announce the start of using the heavenly calendar for celebrating important church events and anniversaries. Please notify all your members of this change and that the events and anniversaries are celebrated according to the heavenly calendar.

1. Using the heavenly calendar
 - The 1st day of the 1st month on the heavenly calendar will be the 1st day of the 1st month on the lunar calendar. (This year, this fell on February 14.)
 - All internal communications and memos should indicate the date according to the heavenly calendar and keep the Gregorian calendar date in parenthesis.
 - ※ In English, it should be tentatively expressed in the following way:
e.g. 5.17 by the Heavenly Calendar (June 28, 2010)
